1 A \* \* \* following a place name indicates that the place is contiguous with a MCD. A \* \* \* indicates that the place is also a false MCD. In both cases, the MCD name is shown only when it differs from the place name.

2 A \* \* \* following a VTD code indicates an actual voting district. Its absence indicates that the VTD is a pseudo-voting district or no information is available as to its status.

3 A \* \* \* following a block number indicates that the block number is repeated elsewhere in the block.
